Car Bonus Opportunity

Earning a car bonus is a benefit of becoming an Executive Manager. L'BRI offers a monthly car bonus of \$400, \$600 or \$1,000 for qualified leaders, plus \$75 per month for car insurance.

Why Nissan?

When L'BRI introduced the Car Bonus Program years ago, they set out to choose a vehicle that would align with the same priorities that go into all of our L'BRI products. Like our products, Nissan offers exceptional quality and value, in addition to a wide range of vehicles choices and features. Select something that's simply practical or, choose a car that's all about style; the choice is yours.

Clean and Bright Signature Color

L'BRI selected white as the signature color for the L'BRI Car Bonus Program. A white car is the perfect choice for a L'BRI Executive, as white depicts a feeling of clean and natural, and is also luxurious. In addition, white cars are always popular and this timeless color helps to maintain high resale values.

You're Eligible for a Car Bonus – Now What?

Congratulations on earning your L'BRI car bonus! We know you are excited and probably ready to get shopping, and start driving a brand-new car right away. Before you actually make the decision to purchase or lease a new Nissan, we recommend asking yourself a few questions.

- *How's my business doing?*
- *Are you easily reaching 12 qualified Consultants well in advance of the end of the month?*
- *Are you confident you'll earn the car bonus each month?*
- *Do I need a car right now? Am I ready to make the commitment to a new car?*
- *What model car will suit me and my family's needs?*
- *What's my budget?*

Depending on your answers to these questions, you may be ready to go shopping, or you may decide to bank your bonus and accumulate some savings before purchasing or leasing your new Nissan. For every month you earn a car bonus, L'BRI will either pay you the bonus for that month, if you've already purchased a car, or L'BRI will bank your bonus for up to 6 months (\$2,400) if you are waiting to purchase your car at a later date.

If you would like to discuss your options and the timing of purchasing or leasing your new L'BRI car, we're here to help.
