RENEW
COLLAGEN COMPLEX

GET AGE-DEFYING SUPPORT[†]

SUSTAINABLE INGREDIENTS

Renew Collagen Complex uses vegetarian-friendly collagen extract from eggshell membrane, a natural source of collagen, elastin, and hyaluronic acid, which perform essential functions to help keep skin hydrated and healthy.[†]

By using eggshells that are left over from other manufacturing processes and would otherwise end up in landfills, we are reducing our environmental impact while offering collagen in a vegetarian-friendly form!

INNOVATIVE TECHNOLOGY TO SUPPORT OPTIMAL RESULTS

Renew Collagen Complex capsules are formulated for targeted delivery of our advanced ingredients using digestive-resistant capsules that protect the ingredients. This allows for the supportive age-defying properties of Renew Collagen Complex to be optimally utilized by our body.[†]

Supplement Facts

Serving Size 1 Capsule
Servings Per Bottle 30

Amount Per Serving	% Daily Value
