

ULTRA EDGE™

COGNITIVE & ENERGY
SUPPORT

GET THE EDGE YOU NEED

EXCLUSIVE TECHNOLOGY TO SUPPORT HEALTHY COGNITION AND ENERGY LEVELS.

Maintain focus and clarity. UltraEdge™ is formulated to support every aspect of mental acuity, performance, and cognition.*

Take on your day. Every delightful serving features our cognitive and energy support blend to support your mental potential.*

Perform at your optimal level. UltraEdge™ includes a proprietary blend of powerful nootropics, which support executive functions, memory, creativity and motivation.

THE SCIENCE

The Endocannabinoid System, or ECS for short, is a complex network of receptors that are found throughout your brain, body, and immune system. This system is believed to be responsible for balancing functions related to sleep, relaxation, and cognition. Your ECS is fueled by endocannabinoids, which are molecules

produced by your body to interact with these receptors. When the production of endocannabinoids becomes slowed or imbalanced, phytocannabinoids, which are cannabinoids produced in the hemp plant, can supplement what the body may be lacking.

THE MIMETIX® FORMULA

Typically, the conversation about the endocannabinoid system (ECS) revolves around phytocannabinoids alone. Mimetix® takes ECS health to a whole new level. Mimetix® includes cannabimimetics that have a similar pharmacological impact on the ECS as phytocannabinoids. When these compounds are combined in a full spectrum, water-soluble format, they can easily be added to your daily routine to support healthy cognition and energy levels.*

EXCLUSIVE TECHNOLOGY

As we all know, oil and water don't mix. This can be a challenge when taking oil-based supplements. UltraEdge™ offers endocannabinoid system-based cognitive and energy support made water-soluble for enhanced absorption.* Our exclusive UltraCell™ technology has been demonstrated in a clinical study to enhance the bioavailability of our oil supplements.

Supplement Facts

Serving Size 2 Droppers (2 mL)
Servings Per Bottle 30

Amount Per Serving	% Daily Value
Vitamin B12 (as Methylcobalamin)	200 mcg 8333%
